

Indian Institute of Science Education and Research Bhopal

Junior Research Fellow at IISER Bhopal under the supervision of Dr. Amit Paul, Chemistry

Applications are invited from Indian nationals for the post of “Junior Research Fellow” in the Science and Engineering Research Board (SERB) sponsored project “**Role of Pore Size, Metal Ions, and Kinetic Investigation in Metal Oxide Based Nanomesh for Water Oxidation**”

Project description: The project involves synthesis of metal-based nanomaterials, characterization by several advanced techniques, and finally electrochemical experiments for understanding the material’s performance for heterogeneous water oxidation/oxygen evolution reaction (OER).

Duration: Initially for 1 year (Extendable up to two more years upon satisfactory performance)

Last date for applications: 7th February, 2021

Essential Qualifications: M.Sc. in Chemistry with good academic record and at least one national-level qualification (UGC-JRF/CSIR-JRF/NET-LS/valid GATE score etc.).

Age: Candidates should preferably be below 28 years of age.

Salary: Junior Research Fellow: Rs. 31,000 p.m. + HRA (16%)

How to Apply: Submit your application with a detailed curriculum vitae (CV) at apaul@iiserb.ac.in . CV must have details such as 10, 10+2, B. Sc, M.Sc marks, university name, graduating year and details about national-level examination qualification details. CV must also include mobile phone number and email address for contact. **Subject line of email: Project JRF Application for SERB Funded project**
