

## Indian Institute of Science Education and Research Bhopal

Date: 21/06/2021

Application is invited from Indian nationals for the post of Junior Research Fellow under SERB-funded research project entitled “**Proteomic identification and functional characterization of stress-induced cytoskeletal SUMO substrates.**”

**Name of the Position:** Junior Research Fellow (JRF)

**Salary:** Rs 31,000 per month; HRA shall be admissible only if hostel accommodation is not provided.

**Duration:** 1 year (can be extended for one more year subject to satisfactory performance and funds availability)

**Essential Qualification:** Applicants should have an M.Sc. degree in Life Sciences or Biotechnology or related subject with sound knowledge in the field of Molecular biology, protein purification, and protein modification analyses. At least a year-long experience in mammalian cell culture and proteomic analysis carries extra weightage to the application. Applicant must have qualified NET(JRF/LS) or GATE and a minimum of two years of experimental handling experience in Cell biology and confocal microscopy.

**Age:** Less than 33 years on the date of interview

**Application Procedure:** Interested applicants should email their CV and 1- Page cover letter (describing their relevant experience and a motivation statement to be part of this project) to [rkmishra@iiserb.ac.in](mailto:rkmishra@iiserb.ac.in) by 5<sup>th</sup> July 2021. Shortlisted candidates will be interviewed over the google meet platform on 7<sup>th</sup> July 2021. There is no TA/DA admissible for attending the online interview. The selected candidate will be notified by email and is expected to join immediately.
